

Disclaimer

Web Page Content

The material on this website (www.maureenedwardsfamilylaw.ca) is presented for informational purposes only and is not legal advice. Although care has been taken in preparing and compiling this information, **Edwards Family Law (EFL)** does not warrant the quality, accuracy or completeness of any of the information on the website. No person should act or refrain from acting based on any of the information on this website. Anyone using the information on this website does so at his or her own risk and releases **EFL** and the developers and maintainers of this website from any liability from injury or damage resulting from such use.

Transmissions and/or Communications Do Not Create a Lawyer-Client Relationship

You should also be aware that viewing this website or contacting **EFL** (including any lawyers, staff, students or volunteers) through this website, by email, telephone and/or fax does not create a lawyer-client relationship and does not mean that we are going to act for you. Persons do not become **EFL's** clients unless and until we agree to act for you and confirm the same in a retainer agreement. Unless you are an existing client, information provided through this website, by email, telephone and/or fax will not be considered confidential, and no information should be sent to us without prior agreement.

Transmissions May Not Be Confidential

Website Links

EFL does not guarantee the confidentiality of the content of any email transmission to or from **EFL** that may be facilitated by this website or otherwise. Please contact our lawyers before providing us with any confidential information.

Certain links on this website may lead to documents or websites maintained by other persons and organizations. Inclusion of these links on this website does not signify **EFL's** endorsement of the form or content of any of those documents or websites, and **EFL** makes no representation as to the security of those documents or websites, or the accuracy of the information contained in them.
